

Directions and Parking:

Charnwood College address is Thorpe Hill, Loughborough, LE11 4SQ

Gateway 4 is the driveway to access the swimming pool. Turn up the driveway off Thorpe Road and follow the road straight on. The building where the swimming pool is located will be on your right. On your left opposite there is parking available.

You can park anywhere in the marked bays. Once parked, head into the entrance of the pool building and meet the receptionist who will be outside the changing rooms.

Children under 8:

If your child/ren is eight years old or above, they must change in the same sex changing rooms.

Once you/your child/ren are changed, please sit on the chairs and wait for the next lesson to start. Teachers invite swimmers over when they are ready. Please do not distract or interrupt lessons, unfortunately we cannot discuss progress or minor subject matters on poolside. Please see the Core Aquatics receptionist who will either answer the question or make a note for Nicole to get in contact with you. We do provide progress opportunities throughout the year.

Pease make yourself known to the swimming teacher and receptionist who you are. We like to know 'name to face' in case of emergency and for child protection.

Thank you for your cooperation and any questions please email Nicole – nicole@coreaquatics.co.uk.
